

DURLSTON COUNTY PARK

FireworksText.com

On Tuesday the 24th of April we set off to Durlston Country Park, we went in a mini bus. We went to the Time Line . We were looking at the castle when a dog opened and closed the door! We went past the shop up the steps to the top of the castle we looked at birds and Old Harry Rocks.

Then we went down the steps to the very nice toilets then to the shop to buy gifts. We went to the limestone Globe when Lottie was sick and sadly had to go home. We walked down to the bird watching place where Jack and Frankie spotted a spider orchid. We saw a black backed gull. To finish the trip off we walked back to Leeson House.
By Jack and Ryan 😊
