

Night Orienteering

On the second day of Leeson house when night fell it was time for the night orienteering.

It started with a briefing from Mr Kite and he demonstrated the rules. Then the countdown began. We set off to find the controls in 25 minutes. Within 15 minutes Thai and Ed finished and went to help the others.

After the 25 minutes Mr Kite told us to come back and we walked back to have supper. Mrs Sutton read us a story while Mr Kite marked the results. When Mr Kite came in he told us that in fifth place was Ryan and Jude with 140 points, next was Ella, Lauren and Daisy with 180, then it was Frankie and Jack joint second with Kai and Tom who collected a great 220 points but the winners with the full 300 points were Thai and Ed.

Thank you.

By Thai and Tom.
