

# **night orienteering**

On the 24<sup>th</sup> of April Loders School went orienteering in Leeson House grounds. We had to use a torch so we could see in the dark! Then we all set off and started to find the orienteering markers. It was easy for some and hard for most people but every one found it fun.

After half an hour Mr Kite called us in for supper and then we had our results. Thai and Edward came first and Jack and Frankie came second and Tom and Kai came third and Ella, Lauren and Daisy came fourth and India and Rosie came fifth! We really enjoyed it.

Ella and Lauren
