

Arriving at Leeson!

We arrived on Monday the 24th April 2012. As soon as we arrived at Leeson House we left our luggage in the games room and sat on the floor in front of our Leeson House instructor who took us up to the class rooms and taught us how to use a GPS. Later on after the trip to Dancing Ledge we came back and did a check in fire drill. Then we went up to see our rooms. The year 5 girls and Halla and Megan slept in the dormitory with five bunk beds inside. The boys slept in room two and the rest of the year 6 girls slept in room seven.

At half past six we made our beds and unpacked our suitcases into drawers and wardrobes then went down stairs to do the night walk.

At 11 o'clock we came back and sat in the lounge to have our supper of hot chocolate or fruit juice and biscuits it wasn't long until we went upstairs to get changed into our pyjamas and brushed our teeth ready for bed. But not every body got to sleep easily.
